\$1,000 Grant for Active Teachers, 2018

One of the objectives of the New York State Retired Teachers Association is to work toward the advancement of education in the state and country. In an attempt to help meet that objective, NYSRTA has developed a \$1,000 grant to assist full time educators with an innovative program or project. The Grant honors Ross C. Hudson of Gouverneur, N.Y., a dedicated veteran teacher and longtime supporter of NYSRTA. To be eligible for this grant an educator must be a full time teacher/administrator in a public school in Cayuga, Chenango, Herkimer, Madison, Oneida, Onondaga or Oswego County.

The application will be for the entire \$1,000. The purpose of the grant is to fund an innovative project or program designed and implemented by an active teacher or administrator for use in the classroom.

The grant funds may be used for a variety of issues such as improving student achievement, curriculum support, self-esteem, enrichment, bullying, teen pregnancy etc. The winner will be determined by judges made up of members of NYSRTA. The judges' decision will be final.

Grant applications must be returned by May 1, 2018.

The winner will be notified by the close of school in June.
